Official Entry

Congratulations... most of you survived the nasty weather and bad crabbing of 2007. It's Derby time again! This year the secret police 秘密警察 will be testing for performance enhancing drugs, and any good stuff will be confiscated by the DERBY committee. *The Games* begin at dawn on Friday morning. All events must be completed by 4:03PM Saturday. *International Olympic Pesky Committee* (I.O.P.C.) will have opening ceremonies at the Villa Nova on Wed, Sept. 17th at 6:30pm. *I.O.P.C.* will go over all the rules and code of ethics for the 2008 Derby. When the smell of defeat has been washed off, please head to the closing ceremonies at the Descanso Beach Club Saturday evening. Like past Derbies, standard 30# line will be used. If you plan to smuggle anybody aboard, please list him or her on *I.O.P.C.* Form # 696969. For more info go to
